## Competitive Admissions Process

To select applicants for programs with limited clinical spaces, Wake Tech uses a competitive admission procedure with a point system – NOT a waiting list. Those applicants with the highest number of points will be selected. Applicants will be assigned points for general education courses that are part of the Associate Degree Nursing curriculum that have been completed by the application deadline.

- January 31 application deadline: points will be accrued for classes completed through the prior fall semester.
- July 31 application deadline: points will be accrued through the summer semester.

## How to Calculate Your Points

| ENG 111 | ENG 112 | HUM elect. | SOC 210 | PSY 150 | PSY 241 | BIO 168 | BIO 169 | BIO 175 |
|---------|---------|------------|---------|---------|---------|---------|---------|---------|
| A – 12 | A – 12 | A – 12 | A – 12 | A - 12 | A – 12 | A – 32 | A – 32 | A – 24 |
| B – 9 | B – 9 | B – 9 | B – 9 | B – 9 | B – 9 | B - 24 | B – 24 | B – 18 |
| C - 6 | C - 6 | C - 6 | C - 6 | C - 6 | C – 6 | C - 16 | C - 16 | C - 12 |

Additional points will be awarded based on the TEAS composite scores as follows:

- 71-80 = 6pts;
- 81-90 = 12pts;
- 91+ = 20 pts

To receive points for BIO 168 (Anatomy & Physiology I), BIO 169 (Anatomy & Physiology II) and BIO 175 (Microbiology), the class must be completed within 5 years of the first NUR class. If you have completed BOTH BIO 168 and BIO 169, the 5 year requirement is based upon the completion date of BIO 169.

If students receive credit based on AP, CLEP, or DANTES exam scores, points will be award equivalent to a "B" – 9 points. AP, CLEP, or DANTES exams will not be accepted for BIO classes.

If grade of "B" or a "C" is earned in a class, the class can be retaken, but points are awarded based on the most recent grade, even if the grade is lower. If a grade of "D, F, or WF" is earned in a class, 0 (zero) points will be awarded, and the class must be repeated to earn a minimum "C" grade.

Please note that for Health Science programs, grades of "C" or better are required in all program-related curriculum classes.

**HUMANITIES/FINE ARTS ELECTIVE**:  Students only need ONE humanities/fine arts elective. Choices can include any of the following but speak with an advisor for other choices:

☐ ART 111        ☐ ART 114        ☐ ART 115        ☐ HUM 115        ☐ MUS 110        ☐ MUS 112        ☐ PHI 215        ☐ PHI 240

*Wake Technical Community College is constantly evaluating the admissions procedures and reserves the right to make changes as the need arises.*
