

As a limited enrollment program, the Radiography program has a selective, competitive admission process and includes additional requirements over and above admission to Wake Tech Community College. Please make sure you have met all requirements below before submitting your Radiography clinical application.

- Complete Wake Tech application process at [apply.waketech.edu](http://apply.waketech.edu)
- Complete a mandatory Radiography information session.** Go to [hsinfosession.waketech.edu](http://hsinfosession.waketech.edu) for more information. *Students must complete information session before meeting with a health sciences admissions and academic advisor.*
- AP/CLEP scores:** Submit *official* AP or CLEP scores for credit (if applicable)
- Submit ALL educational transcripts.** If you have college transcripts, verify transcripts are evaluated. Log in to WebAdvisor. Go to Current Curriculum Students → Plan and Register → My Progress. Any courses with grades starting with “T” are courses that transferred to Wake Tech. If your course is not there, please email [tranevalreq@waketech.edu](mailto:tranevalreq@waketech.edu) *It is the student's responsibility to follow up with Student Records for transfer credit.*
- Meet math proficiency with one of the following:** *(Must be within 10 years of Radiography clinical application date)*
  - Meet prerequisite to register for MAT 110 without co-requisite or a higher MAT class
  - Complete a 4-year college level math class with a “C” or better
  - Meet placement waivers through Multiple Measures or RISE
- Meet English/Reading proficiency with one of the following:**
  - Meet prerequisite to register for ENG 111 without co-requisite
  - Complete ENG 111 or equivalent with a “C” or better
  - Meet placement waiver through Multiple Measures or RISE
- Meet Science requirement with one of the following:**
  - Meet prerequisite to take BIO 163 (CHM 090, high school chemistry, CheMOOC)
  - Complete BIO 163 with a “C” or better within 5 years of first RAD class
- Take the TEAS test** by application deadline.
  - Register to take the TEAS test at [atitesting.com](http://atitesting.com)
  - Scores are good for three years. You can view retest policies at [teas.waketech.edu](http://teas.waketech.edu).
  - Submit official scores through [atitesting.com](http://atitesting.com) if TEAS taken at another college
- NC Nurse Aide:** Be listed on the NC Nurse Aide Registry as a Nurse Aide I by application deadline.
- GPA requirement:** Wake Tech pre-Radiography program GPA must be a 2.0 or higher to submit application.
- Submit Radiography clinical application:**
  - Application deadline January 31 for Fall RAD entry
  - Application deadline July 31 for Spring RAD entry

*Wake Technical Community College reserves the right to make changes at any time in the competitive admission process*

## Competitive Admissions Process

Applicants will be assigned points for non-clinical (non-RAD) courses that are part of the Associate Degree Radiography curriculum and are completed by the application deadline.

- January 31 application deadline: points will be accrued for classes completed through the prior fall semester.
- July 31 application deadline: points will be accrued through the summer semester.

## How to Calculate Your Points

ENG 111	ENG 112	HUM 115	PSY 150	MAT 110	BIO 163
A – 12	A – 12	A – 12	A - 12	A – 12	A – 12
B – 10	B – 10	B – 10	B – 10	B – 10	B – 10
C - 8	C - 8	C - 8	C - 8	C - 8	C - 8

Additional points will be awarded for the following

- TEAS test: Based on the TEAS composite scores, points will be awarded as follows:
  - 0-62 composite score = 0 points
  - 63-70 composite score = 3 points
  - 71-80 composite score = 6 points
  - 81-90 composite score = 12 points
  - 91+ composite score = 20 points
- Applicants will receive 2 (two) points for reapplying and submitting the clinical application. The 2 (two) points are only awarded once.
- Applicants will be awarded 2 (two) points for the completion of an Allied Health related Degree. Official transcripts must be submitted. Points are awarded based on the Imaging department head's approval.

Please note the following:

For Health Science programs, grades of "C" or better are required in all program-related curriculum classes. If you earn below a "C", you must retake the class.

To receive points for MAT 110 or a higher math class, the class must be completed within 10 (ten) years of the first RAD class.

To receive points for BIO 163 (Anatomy & Physiology), the class must be completed within 5 (five) years of the first RAD class.

If students receive credit based on AP, CLEP, or DANTES exam scores, points will be award equivalent to a "B" – 10 points. AP, CLEP, or DANTES exams will not be accepted for BIO classes.

**HUMANITIES 115 Course Substitutions:** Choices can include but speak with advisor for other choices:

- ART 111   
  ART 114   
  ART 115   
  MUS 110   
  MUS 112   
  PHI 215   
  PHI 240
