Message from the Dean of Financial Aid . . .

Congratulations on your decision to invest in yourself and attend Wake Tech!

Please take a few minutes to read the information contained in this handbook and to review the information provided on the website regarding financial aid. By reading this information, you will be aware of the many policies and procedures that you are required to adhere to in order to maintain financial aid eligibility. You are accountable for this information. Students who assume personal responsibility for their education will reach their goals.

It is my sincere hope that you have a successful academic career at Wake Technical Community College. However, if you find yourself in academic difficulty, please utilize the various resources available at Wake Tech.

If you have questions about your financial aid offer or other matters of concern, please contact the Financial Aid Office. You may also find that many of your questions can be answered by visiting our website, https://www.waketech.edu/financial-aid. Lastly, please check your Wake Tech email regularly as this is how we communicate with you. A list of Financial Aid Office staff members with contact information is included in this handbook.

And remember, we’re here to assist you.

Sincerely,

Regina Huggins
Regina Huggins
Dean Financial Aid

This handbook is intended to help guide you in understanding your financial aid package for the academic year. Please review your offer information and financial aid policies before accepting your offer online.

Please note that the information in this handbook is subject to change at any time based on changes to federal, state, and/or institutional policies and regulations.

Wake Technical Community College’s official method of communication with our students is through the Wake Tech student email account. Information is also provided in Self Service. It is the student’s responsibility as a financial aid recipient to comply with ALL policies, procedures, and requirements pertaining to eligibility for student financial aid. Every student is expected to check their WTCC email and their Self Service often to stay up to date on all relevant information and notifications.

The Financial Aid Office reserves the right to review, modify, or cancel financial aid offers at any time due to changes in a student’s or parent’s financial status, a student’s academic status change, changes to the student’s expected family contribution (EFC) or if additional funds are received.
INTRODUCTION

The process of receiving financial aid is a united effort among students, the Financial Aid Office, and those who offer financial aid (i.e. Department of Education, Federal and State Agencies and the College). The Wake Technical Community College Financial Aid program exists to ensure that no qualified student will be denied the opportunity to continue his or her education because of economic disadvantages. Through a program of scholarships, grants, work-study and loans, the students enrolled at the college are able to supplement their own resources and the resources of their families to complete a program of study. The Financial Aid Office administers Title IV financial aid programs provided by the U.S. Department of Education and offers North Carolina scholarships and grants under the direction of the North Carolina State Education Assistance Authority. The College Financial Aid Committee offers a variety of scholarships through the Wake Tech Foundation.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

Wake Technical Community College uses all information provided by students on the Free Application for Federal Student Aid (FAFSA) and various financial aid forms to determine the student’s eligibility to receive federal, state, and institutional financial aid. Sections 483 and 484 of the Higher Education Act of 1965, as amended gives the Department of Education the authority to ask students and their parents questions contained on the FAFSA, and to collect the social security numbers of the student, spouse (if applicable) and their parents. The Department of Education, as well as Wake Technical Community College, uses the student, spouse and parent social security numbers to verify identity as well as retrieve records, and both agencies may request the social security number(s) again for those purposes.
In order to receive financial aid, a student must have a valid high school diploma or equivalency. A diploma will be considered invalid if there is reason to believe that limited coursework was required to complete the diploma and/or a fee was charged by the agency that issued the diploma. Students who wish to receive financial aid may establish eligibility by completing one of the following requirements:

1. Complete the High School Equivalency Test/Program
2. Complete the Adult High School Program

A student will not be denied admission to Wake Technical Community College; however, the student will not be eligible to receive financial aid until one of the above items is completed. You may contact Regina Huggins, Dean of Financial Aid, if you have any questions regarding this requirement.
In addition, a student must . . .

- Have a valid social security number
- Be a U.S. citizen or eligible non-citizen
- Be registered with Selective Service (if required)
- Be working toward a degree or certificate in an eligible program of study
- Attend a participating college and attend all classes for which he/she has enrolled
- Be making satisfactory academic progress
- Not owe a refund on a federal grant
- Not be in default on a federal educational loan
- Have a financial need (except for the Federal Unsubsidized Student Loan)

Please Note:

- Less than half-time students MAY be eligible for the Federal Pell Grant on a case-by-case basis.
- Students who have received a bachelor’s degree may only be eligible for federal work study or federal student loans.
- A student can only receive federal or state assistance from the school where they will RECEIVE their degree/certificate.
- If you attend two colleges in the same enrollment period, you must inform both schools’ financial aid offices.
- Conviction of a drug distribution or possession may make the student ineligible to receive financial assistance.
- There is a limit to the TOTAL amount of Federal Pell Grants that a student may receive. The Pell Lifetime Eligibility Used regulation allows students to receive Federal Pell Grants of the equivalent of six (terms) school years. For more information, you may visit: https://fafsa.ed.gov/help/fahelp28n.htm.

APPLYING FOR FINANCIAL AID

The Free Application for Federal Student Aid (FAFSA) is the only financial aid application required by Wake Technical Community College. In order to ensure consideration for all available sources of need-based financial aid, your FAFSA must be submitted online or by calling 1-800-433-3243 prior to our financial aid deadlines listed below.

Filing a FAFSA via the Internet is the preferred and quickest method to submit an application. The process for requesting financial aid through the College is the same for all types of need-based financial assistance:

1. Complete all Admissions requirements for your program of study as specified in the College catalog.
2. Make sure your contact information is current and kept up-to-date with the Registrar’s Office.
3. Submit a FAFSA to apply for federal and need-based state and institutional financial assistance each academic year at www.fafsa.ed.gov.
4. WTCC’s School Code is – 004844. This will allow your financial aid application (FAFSA) results to be sent to WTCC.
5. Make sure you, and if you are considered a dependent student - one of your parents, have an FSA ID to use for the signature on the FAFSA. To receive an FSA ID, the process consists of three main steps:
   a. Enter your login information,
   b. Provide your e-mail address, a unique username and password, and verify that you are at least 13 years of age, and
   c. Enter your personal information, submit, and agree to the “terms and conditions” of the FSA ID.
   **Verify your e-mail address. (This is optional, but helpful. By verifying your e-mail address, you can use your e-mail address as your username when logging into certain ED websites. This verification also allows you to retrieve your username or reset your password without answering challenge questions.)**
6. If you completed a FAFSA for the prior academic year, you have access to a Renewal FAFSA at www.fafsa.ed.gov, for the upcoming academic year.
7. In one to two weeks from the filing date, the Central Processing Center will provide a Student Aid Report (SAR). Check the SAR for errors. If the information is correct, retain the SAR for your records. If there is incorrect information, make the necessary corrections and submit back to the Central Processing Center via the Internet or mail the paper version.
8. When the results of the FAFSA applications are received by the Financial Aid Office, notification will be emailed to the student with further direction.
9. Some students are selected for verification by the Central Processing Center. Additional documentation will be required before financial aid offer eligibility can be determined. Students will be notified by e-mail and Self Service in the Financial Aid section.
10. Once all documentation is turned in, verified, and eligibility is determined, an offer can be made.
11. ALL information will be readily available via Self Service in the Financial Aid section.
12. ALL students are notified via Wake Tech email as well.
13. Financial aid is offered by academic year.
**PRIORITY DATES & DEADLINES**

Financial aid applications and all supporting documentation for students planning to enroll during the academic year should be submitted in accordance with the priority deadlines shown below:

<table>
<thead>
<tr>
<th>If you plan to enroll:</th>
<th>Complete FAFSA online by:</th>
<th>Paperwork MUST be in FAO by:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall Semester</td>
<td>June 1</td>
<td>July 1</td>
</tr>
<tr>
<td>Spring Semester</td>
<td>October 1</td>
<td>November 1</td>
</tr>
<tr>
<td>Summer Term</td>
<td>April 1</td>
<td>May 1</td>
</tr>
</tbody>
</table>

*Note: If the date listed above falls on a weekend or holiday, the paperwork is due the next business day.*

We will continue to review and process applications received after the applicable semester priority deadline dates, but cannot guarantee that financial aid will be finalized in time to avoid the student having to pay out of pocket for tuition, fees, books, and supplies. The student is responsible for ALL charges in the absence of a financial aid offer. Payment can be made by cash, check, debit card, VISA, or MasterCard at the Cashier’s Office or through Web Advisor. Web Advisor is available for making payments by debit and credit cards. There is also a payment plan that may be available. All payments are made through the Cashier or online. [https://www.waketech.edu/student-services/registration-student-records/payment-deadlines/payment-plan](https://www.waketech.edu/student-services/registration-student-records/payment-deadlines/payment-plan). Make appropriate arrangements to pay to avoid having your schedule of classes canceled. If it is determined that you qualify for financial aid, you will be reimbursed during the semester. Please note that you must submit your official high school transcript or official equivalency transcript before any financial aid funds are offered or disbursed. If you have earned an Associate’s degree or Bachelor’s degree, you may submit an official transcript in lieu of submitting the official high school or equivalency transcript.

**FINANCIAL AID TERMS AND CONDITIONS**

All students must read and acknowledge the Financial Aid Terms and Conditions before accepting a Financial Aid Offer. For more detailed information, you may visit our web site at [https://www.waketech.edu/financial-aid/applying-financial-aid/terms](https://www.waketech.edu/financial-aid/applying-financial-aid/terms). If you have questions, contact the Financial Aid Office (FAO) at (919) 866-5410.
Statement of Education Purpose
By accepting all or part of a financial aid offer granted by Wake Tech, you agree to use all federal, state, and institutional financial aid received for expenses related to your educational studies at Wake Tech.

Correspondence
Your Wake Tech email account will be the primary method used by the FAO to communicate about financial aid. It is important to check your my.waketech.edu email account frequently.

Federal Eligibility Requirements
- You must be in an eligible program of study for financial aid. It is your responsibility to ensure that you are in an approved financial aid program.
- To be eligible for federal and state financial aid, you must maintain Financial Aid Satisfactory Academic Progress (SAP) towards your degree. Your cumulative GPA, completion rate, and maximum time limits for the completion of your degree are monitored each semester. For more information, you may visit https://www.waketech.edu/financial-aid/applying-financial-aid/keeping-financial-aid.
- Pre-curriculum classes are counted when determining satisfactory academic progress for the continuation of financial aid.
- You cannot receive federal financial aid at two schools simultaneously. A consortium agreement may be used when a student needs to take a class (in their program of study) at another school while attending Wake Tech. Community College. You will complete the Consortium Agreement form (#1244) and return to the FAO.
- Class attendance is required. Failure to attend classes may result in your owing funds to Wake Tech or the Department of Education.
- Contact the FAO before dropping or withdrawing from classes, because doing so may result in your owing funds to Wake Tech or losing eligibility for some financial aid.
- A Free Application for Federal Student Aid (FAFSA) must be completely annually.
- You must be a U.S. citizen or eligible noncitizen.
- You must not be in default on a federal grant or loan.

Financial Aid Offers
- Your financial aid Cost of Attendance (COA) is based on an allowance for direct costs (tuition and fees) and indirect costs (housing, meals, etc.) for full-time enrollment. Your financial aid offers may not exceed your COA.
- Your financial aid offers are based on the assumption that you will be attending full-time. A minimum of 12 credit hours is considered full-time for financial aid purposes for the Fall, Spring, AND Summer terms. Your grant offers will be
adjusted based on actual enrollment as of the census date (typically the 10th day of classes). These types of adjustments may affect your financial aid eligibility.

- If your last day of attendance is prior to the census date and financial aid funds are disbursed to your account and a refund issued to you, you will be responsible for repayment of all financial aid funds.
- Audited and challenged classes are not eligible for financial assistance and do not count toward enrollment for purposes of financial assistance or loan deferment.
- You may only receive financial aid for up to 30 credit hours of pre-curriculum course work.
- You may only receive a one full academic year loan while completing pre-curriculum courses.
- You may only receive financial aid for classes that are required for completion of your Wake Tech program of study.
- You must accept any Federal Direct Loans you wish to receive.
- You must be attending at least half-time (six credits) at the time of loan and state grant disbursements.
- If you register for classes and do not attend, you must repay any financial aid disbursed for the term. It is your responsibility to drop your classes. Your approved financial aid offer prevents your classes from being automatically dropped for non-attendance.
- If you withdraw from all classes prior to the 60% point of the term, you may be required to repay a percentage of your federal financial aid.
- The North Carolina State Grant programs, i.e. North Carolina Community College Grant and North Carolina Education Lottery, require a repayment of funds if you withdraw prior to the 35% point of the semester.
- Students may repeat a previously passed course one time.
- Students may repeat a failed course until it is passed. However, each attempt counts as an attempted course in the computation of your (SAP) completion rate.

Mini-mester Classes
- If you enroll in the standard sixteen week semester, you must register for all classes, including mini-sessions by the census date. Students enrolled in the standard term will not receive additional grant funding for mini-sessions added after the census date.
- Financial aid funds will not be credited/paid for mini-mester sessions until your attendance past the census date is confirmed. Loan funds will not be disbursed until you are actively enrolled and attending at least 6 credit hours.

COURSES NOT REQUIRED FOR YOUR PROGRAM OF STUDY
- You are expected to be familiar with the course requirements for your program of study. Courses not required for completion of your degree, with the exception of pre-curriculum courses, cannot be considered when determining your eligibility for
financial aid. Upon review of your schedule prior to disbursement of financial aid, if you are registered for courses not required for your program of study, your financial aid will be adjusted. If financial aid is disbursed prior to review and later determined that courses are not in your program of study, it will be adjusted retroactively, and you will be billed for the overpayment. Therefore, it is imperative that you review the requirements of your program of study.

**Loan Disbursements and Loan Requirements**

All loans will be disbursed in two equal installments. This applies to all students and all programs. All charges will be deducted prior to your refund being issued. Please review the refund schedule posted on the financial aid webpage for refund dates - https://www.waketech.edu/financial-aid/refunds. To receive your financial aid funds and to be able to purchase books, you must complete the requirements listed below:

- All first-time Wake Tech borrowers must complete Loan Entrance Counseling at https://www.StudentLoans.gov.
- All first-time Wake Tech borrowers must electronically sign a Direct Loan Master Promissory Note at https://www.StudentLoans.gov.

Please note: For a one-semester loan, one half of the loan funds is disbursed at the beginning of the semester and the second half of the loan funds is disbursed at mid-semester. For a one-year loan (two semesters), the loan funds are disbursed half in the first semester and half in the second semester.

**Charges**

You understand that any charges not covered by financial aid are your personal responsibility. This includes charges that result from a decrease to your initial financial aid after the semester has started. With your signature on the Terms and Conditions statement, you authorize the use of your financial aid to pay your tuition, fees, book store charges, and other school related charges such as parking fines, library fines, lab fee, etc. and prior year charges of $200 or less and all prior term charges within the same academic year.

**DEPENDENCY STATUS**

Federal Student Aid Programs are based on the idea that students’ parents and families have the primary responsibility of paying for their children’s education. Students who are classified as dependent must report their parent’s income and asset information on the FAFSA as well as their own. Students who are classified as independent must report their own (and their spouse if applicable) income and asset Information on the FAFSA. The student’s response to certain questions on the FAFSA will determine his/her dependency status.
Students are considered independent if they can answer “yes” to any of the following questions for the 2020-2021 academic year:

1. Were you born before January 1, 1997?
2. As of today, are you married (Answer Yes, if you are separated, but not divorced)?
3. At the beginning of the 2020-2021 school year, will you be working on a master’s or doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, graduate certificate, etc.)?
4. Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
5. Are you a veteran of the U.S. Armed Forces?
6. Do you now have or will you have children who will receive more than half of their support from you between July 1, 2020 and June 30, 2021?
7. Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2021?
8. At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
9. As determined by a court in your state of legal residence, are you or were you an emancipated minor?
10. Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
11. At any time on or after July 1, 2019, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
12. At any time on or after July 1, 2019, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
13. At any time on or after July 1, 2019, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?

**Note:** you may be asked to provide documentation to verify the accuracy of your responses.

Where a student lives does not matter in determining how a student files for financial aid. For example, a student who lives outside of the parents’ home is not automatically independent for financial aid purposes. A student may be living in their parents’ home but based on the criteria listed above may be considered independent for financial aid purposes.
Students who answer “no” to all of the above questions are considered dependent for financial aid purposes. Sometimes, a student who is dependent has unusual circumstances regarding their family situation. The Financial Aid Office may review these circumstances and override a dependent student’s status to independent. A review of the dependency status will be considered if there is an irrevocable severance of family ties due to abandonment by parents; severance of family ties due to physical/mental abuse; or a life-threatening situation. Request for Change of Dependency Forms are available in the Financial Aid Office.

The following reasons do NOT constitute a change in dependency status:

1. The student chooses not to live with the parents.
2. The student chooses to live with other relatives.
3. The student has no communication with the parents.
4. The parents refuse to contribute to the student’s education.
5. The student will not qualify for aid if the parent’s income is used.
6. The parents refuse to provide required information.
7. The parents live out of state.

### STUDENT RESPONSIBILITIES

- Review and consider all information about a college’s program before you enroll.
- Pay special attention to your application for student financial aid, complete it accurately, and submit it on time.
- Know and meet all deadlines.
- Provide all documentation, corrections and/or new information requested by financial aid/FAFSA (All forms may be obtained from the FAO or accessed online at: [https://www.waketech.edu/financial-aid](https://www.waketech.edu/financial-aid).
- Return all required documentation and/or information to the FAO/FAFSA to complete the financial aid process as soon as possible.
- Maintain Satisfactory Academic Progress as outlined in the College Catalog.
- Notify the FAO if any information has changed since you applied for financial aid.
- Meet all deadlines as established by the college each year.
- Read all information received and provided by the FAO.
- Report outside sources of financial aid to the FAO in a timely manner.
- Notify the Registrar’s Office of a change in your name, address and/or attendance status.
- Be aware of your payment obligations to the college and the status of your financial aid; continue to meet your payment deadlines whether or not your financial aid has been processed.
Financial aid offers are created for students throughout the academic year. Applicants whose financial aid files are complete by College priority deadlines will receive maximum consideration in the distribution of funding resources according to funding criteria. Eligible applicants completing a file after the priority deadline will be offered with Federal Pell Grant, Federal Work Study (depending on availability of funds) and offered federal student loans. Due to limited funding, the College cannot attempt to meet the financial need of students with gift money. WTCC cannot guarantee that all costs for every student will be covered with financial aid funds. WTCC employs an upfront policy of offering gift offers first, work study and then loans.

FINANCIAL AID OFFER GUIDELINES

Federal Methodology Formula
The federal methodology formula is mandated by the U.S. Congress and U.S. Department of Education to measure a family’s expected contribution (EFC) toward educational expenses.

The formula can assess the family’s ability to pay, but it cannot assess the “willingness” to pay. Many families have consumed discretionary funds for purchases such as vehicles, furniture or vacations which make it difficult or impossible to contribute to EFC. The federal and state agencies that provide funding believe that the full EFC should come from the family before educational expenses should be subsidized by other taxpayers. While the fairness of the Federal Methodology Formula may be debated, it is required by law that WTCC uses the results of this formula to determine a student’s eligibility for federal Title IV, NC state, and related financial aid assistance.

The Expected Family Contribution:
1. The formula to determine ability to contribute toward the cost of education is legislated by Congress. The Expected Family Contribution (EFC) is the result of the Free Application for Federal Student Aid (FAFSA). For dependent students, the EFC is based on a combination of the parent and student income and asset information. For independent students, the EFC is based on the combination of the student and spouse (if married) income and asset information.
2. The Federal Pell Grant is the foundation of the financial aid offer.
3. The Federal Supplemental Educational Opportunity Grant (FSEOG) is offered according to federal guidelines. Federal Pell Grant recipients with the lowest Expected Family Contribution (EFC) have first priority for FSEOG funding.
4. Students with the highest unmet need will be considered for other funding within the guidelines for each program.

5. Financial aid offers are created based on expected full-time enrollment. Adjustments will be made at the end of the drop/add period for changes in enrollment status. These adjustments will affect assigned budgets and offer amounts and may result in reduced or cancelled offers.

6. The college reserves the right to issue adjusted offer notifications due to an error in calculating.

7. If the student drops classes and loses eligibility for the aid during the refund period, the amount of the aid will be canceled and the student is responsible for the remaining charges on his/her college account. If the student withdraws completely during the semester, the financial aid office will determine how much of the financial aid the student earned for the time enrolled. The student is responsible for remaining charges on his/her college account.

General Offer Information
The academic year includes the fall, spring, and summer terms. Students will be offered initially for the fall and spring semesters assuming full-time enrollment. Adjustments will be made if actual enrollment is less than full-time at the end of the drop/add period for each semester. Adjustments for dropped classes may result in charges to the student’s account. Federal Pell Grants will be offered for the summer term based on remaining eligibility for the academic year. Students applying for a summer William D. Ford Federal Direct Loan must submit a separate request. The application period for summer loans will be placed on the financial aid webpage. Additional program funds for summer will be offered based on availability of funds. Summer offers are made during the spring semester.

Verification
The U.S Department of Education requires that a portion of federal financial aid applicants be selected for a manual review of their FAFSA. This review is called “verification.” Select applications are due to edit checks which identify inconsistencies or potential errors, as well as randomly selected applicants identified for verification. WTCC is also required to verify any application that has information that is incorrect or discrepant. When you sign the FAFSA application, you agree to supply any additional information the Financial Aid Office may require.

Students selected are required to submit a copy of student and/or spouse/parent federal tax return transcript information (2018 tax return transcripts for the 2020-2021 academic year), a verification worksheet, documentation of untaxed income and income exclusions, and/or other required forms as requested by the Financial Aid Office. Additional documentation may be required depending on database match results the federal processor conducts.

The Financial Aid Office will send notification to students of all required documentation to their student Wake Technical Community College email. It will also be available on
Self Service- Financial Aid portal. Processing of the student financial aid file and offering will take place once all required documentation is received.

The length of time for verification depends on:

- How quickly you submit the requested documents,
- How thoroughly you complete the forms, and
- The time of year you submit the documents.

Once your documents are reviewed and verification is completed, if eligible, your offer will be posted. An email notification will be sent to you with instructions to review your offer notification in Self Service- Financial Aid and how to accept your offers.

**IRS Retrieval Tool**

We strongly urge you to use the IRS data retrieval tool to complete the income section of the FAFSA. This will import your information directly from your federal tax return, it’s the easiest way to provide your tax data, and you won’t have to provide a copy of your or your parents’ tax return information to the college. In order to use this tool, it is suggested that you wait approximately two weeks after completing your federal tax return before attempting to complete the FAFSA. Students or parents who are married and filed as Married Filing Separately, are married and filed as Head of Household, filed a Form 1040X amended tax return, or filed a Puerto Rican or foreign tax return are not eligible to use the IRS Data Retrieval Tool, and will need to enter their tax return information manually.

**CHECKING YOUR STATUS IN SELF SERVICE**

To get started, go to the Wake Technical Community College web page at https://www.waketech.edu/, click on the Logins arrow button, and select Self Service. Click on the Log In tab and use your Username and Password to login. You will see several options, just click on the Financial Aid button and this will take you to the main financial aid page.
There are different ways you can see what is needed to complete your financial aid application:

1. Click on the Main Tab on the top of the page “Financial Aid Counseling” and select “Required Documents”
2. Click on the yellow highlighted area—“Complete required documents” at the Checklist section of the webpage

Status Key Explanation for Checklist:

<table>
<thead>
<tr>
<th>Status Key</th>
<th>Explanation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Action Needed</td>
<td>Document has not been received by the Financial Aid Office.</td>
</tr>
<tr>
<td>In-Progress</td>
<td>Document has been received and is in process of being reviewed.</td>
</tr>
<tr>
<td>Completed</td>
<td>Submitted required document, reviewed, and complete.</td>
</tr>
<tr>
<td>Not Available</td>
<td>No action needed.</td>
</tr>
</tbody>
</table>

Anything you see with a green highlight is complete and in good standing. Anything you see with a yellow highlight is incomplete and needs your attention. The Financial Aid Office will not be able to move forward with your financial aid process until you have completed the necessary required action.

Once the student’s financial aid file is ready to be offered, the Financial Aid Office will process the financial aid offer. The next status is to “Review and accept your Financial Aid Offer.”

Once your financial aid has been determined, an email notification will be sent to you to review your offer. The email will include a link to the financial aid webpage. This page will contain important information, such as your rights and responsibilities as a financial aid recipient, requirements for maintaining financial aid eligibility, etc. It is imperative that you read this information as you are responsible for understanding this information. Feel free to contact the Financial Aid Office if you have any questions - https://www.waketech.edu/financial-aid/contact.

- Generally, Grants and Scholarships do not require formal acceptance within the Financial Aid Office.
- You must accept or decline Federal Student Direct loans. This can be done on Financial Aid in Self Service. These offers will require additional steps to be completed as explained further in this guide and on our website.
- Entrance Loan Counseling (ELC) is required for first-time federal student loan borrowers and must be completed before a student can receive loan funds – www.studentloans.gov.
- A Master Promissory Note (MPN) is required for first-time federal student loan borrowers and must be completed before a student can receive loan funds – www.studentloans.gov.
**You are required to accept or decline certain financial aid offers, such as the Subsidized and Unsubsidized Direct Loans**

The last step in the Financial Aid Checklist is to review and sign your offer notification. The offer notification may have a combination of types of financial aid offers, such as Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (SEOG), Subsidized Direct Loan, and/or Unsubsidized Direct Loan. You will need to click on the “Review and sign your Financial Aid Offer Letter” section. It will link you to the financial aid offer notification.

If everything looks correct on the offer notification, the student will click on the box at the bottom left corner to verify that he/she accepts the offer package and electronically signs the offer information. Then, click the “Accept” button on the right bottom corner of the offer notification. The student can go in to Self Service/Financial Aid at any time and print a copy of the offer letter and check on the status of their financial aid throughout each academic year.

The Financial Aid Offer Notification also contains the following information:

- Name of financial aid offer program(s)
- Amount of financial aid offer for each semester
- Total amount of financial aid offer for the academic year

A student’s total offer package may not exceed the individual student’s financial need. Financial need is calculated as follows:

\[
\text{Financial Need} = \text{Student’s Annual Cost of Attendance (COA)} - \text{Expected Family Contribution (EFC)} - \text{Outside Aid (Scholarships, etc.)}
\]

**FINANCIAL AID OFFER REVISIONS**

There are times when a financial aid offer will be revised or canceled. A student’s financial aid offer may be revised or canceled for any of the following reasons:

- If aid was based on false or inaccurate information. (For example: changes in enrollment, courses out of program of study, ineligible program of study, etc.)
- If the amount of aid you receive will exceed your financial need or budget. (This may occur if you receive additional financial aid or as a result of verification.)
If you withdraw from one or more courses.
If you fail to maintain Satisfactory Academic Progress (SAP).
If additional funds become available.
If extenuating circumstances warrant an adjustment in your eligibility for financial aid.
If you fail to achieve the required standards for merit-based financial aid you receive. (For example: Scholarships)

If a revision is made, you will be notified by email to review your updated offer on Self Service/Financial Aid.

I HAVE AN OFFER LETTER, WHAT’S NEXT?

1) Confirm that you are enrolled in a program eligible to receive financial aid funding.
2) Read the offer notification carefully and follow the directions in the offer notice and accept your loan offers if you so choose. No further processing of your loans will occur until you accept them.
3) Register for classes in your program of study if you have not already done so.
4) If you requested a loan and this will be your first Direct Loan at Wake Tech, go to www.studentloans.gov and complete the Master Promissory Note (MPN) and Entrance Loan Counseling (ELC).
   a. You and parent (if applicable) will need an FSA ID.
   b. This is what you will see at www.studentloans.gov:
   c. Hover over the Complete Aid Process tab at the top of the page and you will see the Complete a Master Promissory Note and the Complete Entrance Counseling.
5) Review the information on the website regarding your rights and responsibilities as a financial aid recipient.

6) An offer has been made; therefore, you do not need to do anything on the payment deadline date. Your classes will not be purged. Do not be concerned that your classes are not shown as paid. The actual financial aid funds will not be applied to your charges until approximately 4 to 6 weeks after the term starts.

7) Remember to drop your classes if you decide not to attend. You must drop the classes yourself. You now have a valid financial aid offer in place. Therefore, you will not be dropped automatically for nonattendance.

DISBURSING THE FINANCIAL AID OFFERS

Disbursements
Wake Tech, like all other North Carolina community colleges, disburses funds differently from North Carolina universities and private colleges. We disburse funds (grants and loans) later than these other institutions, because we are required by the state to verify attendance in all classes prior to releasing any funds.

Currently, there are three steps to verifying attendance. First, the college creates rosters and disburses to the faculty. The Faculty verifies attendance and submits to the appropriate authority. Students who have not reported to the class by the last day of the scheduled adjustment period are reported as either never attended or dropped. The faculty has approximately two weeks after the scheduled adjustment period ends to submit this information. After the faculty has submitted attendance data, student records are updated to
reflect student’s actual enrollment. Once this manual data-entry process is complete, the Financial Aid Office works with Financial Services to authorize funds and prepare refunds. Financial Services requires approximately 10-14 days to process the financial aid refund disbursements. This allows time to receive the funds from the Department of Education. As such, the entire process takes about six weeks given the large volume of students with offers.

This attendance check is in place to ensure that no fraud occurs for someone that tries to get federal financial aid funds without actually attending or completing college courses. The federal government has established rules for verifying attendance that Wake Tech must follow.

**Enrollment levels for Financial Aid (all semesters including summer semester) are as follows:**

<table>
<thead>
<tr>
<th>Enrollment Level</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Full time</td>
<td>12 or more</td>
</tr>
<tr>
<td>3/4 time</td>
<td>9 – 11</td>
</tr>
<tr>
<td>1/2 time</td>
<td>6 – 8</td>
</tr>
<tr>
<td>Less than 1/2 time</td>
<td>Less than 6</td>
</tr>
</tbody>
</table>

Any courses for which there is an “I” grade on your transcript for a previous enrollment period will not be counted toward your level of enrollment for a current semester for financial aid. An “I” grade means you agreed to complete the course by a specified date without re-enrolling for the class.

**Credit Hours Included in Financial Aid Disbursements**

Per federal regulations and WTCC policy, students must register for classes during the appropriate schedule adjustment period for each course. Charges on the student’s account for courses registered after the appropriate schedule adjustment period are the sole responsibility of the student.

**What are “census” or “lock” dates, and how do they affect my financial aid?**

Census dates (commonly referred to as financial aid “lock dates”) are days in which certain financial aid offers are locked, meaning the amounts of these certain financial aid offers cannot change after the census date. Why should students care about the census dates? Certain financial aid offer amounts are tied to the number of credit hours students are enrolled in. Therefore, students need to make sure they are in the appropriate amount of credit hours on the census date in order to receive the full amount of financial aid offer(s) for which they are eligible.

The Federal Pell Grant financial aid offer is initially put onto student’s offer notification with the maximum eligibility which is based on assumed full-time (minimum 12 credit hours) enrollment. However, the final amount a student will receive is based upon how
many credit hours the student will be enrolled in on the census date. In addition, as the student goes down in the number of credit hours enrolled, so does the amount of Pell Grant received at the time of disbursement.

The Federal Pell Grant is prorated down for the following increments:
Full time (min 12 hours), ¾ time (9-11 hours), ½ time (6-8 hours), <1/2 time (1-5 hours)

Once the census date passes, the Federal Pell Grant financial aid offer amount can no longer be adjusted, regardless if the student adjusts the number of credit hours enrolled for the semester.

Courses Taken for Audit Status
Credit hours taken for a grade of “audit” do not apply toward an associate degree, diploma, or certificate program. Therefore, credit hours with this designation are not included in determining enrollment status for financial aid disbursements or Satisfactory Academic Progress.

Challenged Courses
Per federal regulations, students cannot receive financial aid for courses that they test out of, challenge, or for which they receive transfer credit. These courses are excluded from the determination of the student’s enrollment status.

Disbursement of Financial Aid
Financial aid funds are applied to tuition, fees and bookstore charges approximately 30 days after the last day of the scheduled adjustment period. The refund disbursement schedule is posted on the Financial Aid Website by July 1 of each academic year. The eligibility to receive a refund disbursement on the posted dates is dependent upon you completing your financial aid file by the priority deadlines and complying with all requests to provide additional information. For applications received after the semester begins, disbursements will be made upon file completion: verification, if required, and eligibility of the student for disbursement. Eligibility of the student depends on enrollment status, Satisfactory Academic Progress, eligible program of study, high school diploma or equivalency, etc.

First time borrowers from the William D. Ford Federal Direct Loan Program are required to complete Entrance Counseling and a Master Promissory Note prior to disbursement of funds.

Students Who Fail to Attend Class (“No Show”) Students are required to attend class to be considered eligible for financial aid disbursements. Credit hours for courses in which a student has been reported as a “no show” will not be counted in enrollment status for financial aid disbursements. If funds are disbursed and it is later determined that you did not attend class, you will be responsible for repayment of all funds disbursed either directly or indirectly to you.
WTCC Financial Services has partnered with BankMobile to process all student financial aid refunds. As a WTCC student, you will receive a mailing at your primary address on file with the college from BankMobile Vibe explaining the program. Upon receiving the BankMobile information, you will need to go online and select your refund preference. For more information, go to http://bankmobiledisbursements.com/how-it-works/.

**COST OF ATTENDANCE FOR FINANCIAL AID**

Cost of attendance (COA) for financial aid purposes includes both direct and indirect costs such as tuition, books, room and board, transportation, and personal expenses associated with attending college. The COA at Wake Technical Community College is based on averages, comprised of several components and based on residency status and enrollment status.

Estimated financial aid budgets for a full-time student are computed for a full year based on an average 32 credits a year. These amounts are based on the 2019-2020 academic year.

### GENERAL FINANCIAL AID INFORMATION

**Programs Eligible for Financial Aid**

All associate degree programs are eligible for financial aid. Check with Advising or the Financial Aid Office for eligible diploma and certificate programs. Information may also be found on the Financial Aid Website.

**Special Credit Status**

Students enrolled in “Special Credit” programs **ARE NOT** eligible for federal or state financial aid. Students must be enrolled in an approved program of study to qualify for ANY financial aid assistance.

**Bookstore Charges**

If you have financial aid funds available after paying tuition and fees, you may use these funds to purchase textbooks and supplies at the bookstore. If financial aid is used for charges at the bookstore, that will reduce the amount of a cash refund the student is eligible to receive after the semester begins. All funds are to be used responsibly when purchasing...
books and supplies at the bookstore. Funds are to be used only for the financial aid recipient for classes registered and not used to purchase books and supplies for family and/or friends.

Bookstore financial aid purchase dates are listed on the “I have an offer letter, now what?” document located on the financial aid home webpage: https://www.waketech.edu/financial-aid. On the financial aid homepage, click Book and Refund Schedule.

Approved Consortium Agreements
Students may request permission to receive financial aid for courses taken at another institutional (Host School) if those classes are required for completion of the student’s Wake Tech degree. The student’s Wake Tech advisor must verify that the course is required for completion of the Wake Tech degree and that the transfer credit will be accepted. The Consortium Agreement form is available from the Financial Aid Office or online at http://financialaid.waketech.edu. The student is responsible for payment of all tuition and fee charges incurred at the host school. The Financial Aid Office does not make payment arrangements for students. Consortium agreements are approved at the discretion of the Financial Aid Director or FAO designee.

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

Federal regulations require colleges to monitor the academic progress of each student who applies for financial aid and to certify that each student applicant is making satisfactory academic progress towards a degree, diploma, or certificate. Federal regulations require colleges to establish Standards of Satisfactory Academic Progress (SAP) that include qualitative and quantitative measures of progress and a timeframe for completion of a program of study.

These standards are applied to students who receive financial aid from any of the following programs: Federal Pell Grant, Federal Supplemental Education Opportunity Grant, North Carolina Community College Grant, North Carolina Education Lottery Scholarship, Federal Direct Subsidized and Unsubsidized Loans, Federal Direct PLUS loans, and Institutional grants, scholarships and loans. Student’s academic performance is evaluated at the end of each semester of enrollment. Any student not meeting the minimum standards outlined below will be given financial aid warning status and notified by email from the Financial Aid Office and available on Self Service - Financial Aid. The student must meet the minimum requirements by the end of the financial aid warning semester; if not, financial aid will be suspended until the standards are met.
Qualitative: Cumulative Grade Point Average (GPA) Requirement
In accordance with federal regulations, a student’s cumulative GPA must be reviewed at the end of each semester of attendance, including summer.

1. Students must have earned a cumulative 2.0 GPA when grades are reviewed at the end of the semester.
2. Students who do not earn the required cumulative 2.0 GPA will be placed on financial aid warning for their next semester of attendance.
3. While on financial aid warning, the student remains eligible for financial aid:
   a. If the student earns a cumulative 2.0 GPA (or higher) by the end of the financial aid warning semester, the warning will be lifted (provided the student meets all other SAP guidelines).
   b. If the student does not earn a cumulative 2.0 GPA by the end of the financial aid warning semester, financial aid will be suspended. The student will not qualify for financial aid effective the next semester of attendance until such time as the student again meets all SAP guidelines.

Quantitative: Completion Rate Requirement
In accordance with federal regulations, students must successfully complete at least 67% of cumulative credits attempted in order to meet the requirements for financial aid. For example, if a student has attempted 60 credit hours during enrollment, he/she must successfully complete 40 or more of those hours to meet the minimum standard of the completion rate requirement. Student completion rates are reviewed at the end of each semester of attendance, including summer.

1. Students must earn a cumulative 67% completion rate. Complete rates are reviewed at the end of each semester.
2. Students who do not earn a cumulative 67% completion rate will be placed on financial aid warning for their next semester of attendance.
3. While on financial aid warning, the student remains eligible for financial aid:
   a. If the student completes sufficient credits to earn a 67% cumulative completion rate by the end of the financial aid warning semester, the warning will be lifted (provided the student meets all other SAP guidelines).
   b. If the student does not complete sufficient credits to earn a 67% cumulative completion rate by the end of the financial aid warning semester, financial aid will be suspended. The student will not qualify for financial aid effective the next semester of attendance until such time as the student again meets all SAP guidelines.
How to calculate a completion rate:

Example Schedule:
- REL 112 - 3 hrs Grade: B
- ART 111 - 3 hrs Grade: C
- MUS 112 - 3 hrs Grade: A
- MAT 271 - 4 hrs Grade: F

\[
\text{Hours Completed} \times 100 = 9 \times 100 = 69.2\% \text{ CR}
\]

\[
\text{Hours Attempted} = 13
\]

Deadline for dropping with a W, WP, or WF grade:

- You may hear the phrase: “Last day to withdraw without penalty.”
- This refers to academics only, meaning your GPA will not be affected.
- However, always check with the Financial Aid Office. Withdrawals factor negatively into your completion rate and could cause you to lose your financial aid eligibility.

Maximum Time Frame
The maximum time frame within which to complete a degree (or other program of study) is 150% of the published length of the program. For example, if the published length of a program of study is 64 semester hours, a student may attempt up to 96 semester hours (64 x 150% = 96). To determine the published length of a program, please refer to the Wake Technical Community College Academic Catalog - https://www.waketech.edu/sites/default/files/catalog_files/archive/2018-2019_Catalog_Volume_40.pdf. A student becomes ineligible when it becomes mathematically impossible for him/her to complete the program within 150% of its length.

Students who exceed the maximum allowable time frame for completing a program of study may appeal if the experience documented extenuating circumstances. The student must provide a Maximum Time Frame Appeal Form; if the plan is deemed reasonable and the circumstances are valid, the student will receive financial aid on a probationary basis for one or more semesters until the degree is completed. Failure to comply with the plan will result in suspension of financial aid.

Financial Aid Satisfactory Academic Progress Appeal
Students may appeal the suspension of their financial aid eligibility in the event of documented extenuating circumstances. Extenuating circumstances are those that are unexpected, could not be planned for, and are outside of the student's control. Extenuating circumstances may include, but are not limited to, illness or injury of the student or an
immediate family member or the death of a family member. Documentation from a third-party verifying the circumstances is required. Circumstances such as lack of maturity, lack of effort, and typical work and family life balance will not be considered. The appeal must address why the student failed to make satisfactory progress and what has changed in the student’s situation that will allow the student to demonstrate satisfactory academic progress in the future. Appeals must be submitted in writing to the Financial Aid Office. The Satisfactory Academic Progress Appeals Committee will review the appeal and notify the student in writing regarding the status of the appeal. If it is mathematically impossible for a student to meet the 2.0 GPA requirement, the appeal will not be approved. Appeals are not retroactive; they are approved for the student's current (if enrolled) or the next semester of enrollment. Students are generally limited to two suspension appeals requests while attending Wake Tech. Please refer to the Satisfactory Academic Appeal website https://www.waketech.edu/financial-aid/applying-financial-aid/keeping-financial-aid/submitting-academic-ap for information regarding submission and deadlines.

Students whose appeals have been approved will be placed on financial aid probation for their current or next semester of attendance. The student will be placed on an academic plan that must be followed in order to continue enrollment. The plan may include requirements for academic performance and/or for meetings with an academic advisor or Wake Tech counselor. Students who meet these requirements will continue to be on probation for the next semester. Continued eligibility for financial aid is contingent on meeting the requirements of each semester’s academic plan. Failure to meet the requirements of the academic plan will result in termination of financial aid the next semester of attendance. A student's academic progress status does not return to satisfactory until he/she earns a cumulative 2.0 GPA and a cumulative 67% progress rate and does not exceed the maximum time frame for program completion.

**TREATMENT OF SELECTED GRADES**

**Withdrawals:** Credit hours in which a student receives a grade of “W”, “WP”, and “F” are included in the number of hours attempted but do not count toward successfully completed hours; consequently, students who withdraw may have difficulty meeting the satisfactory progress requirements.

**Incompletes:** Students will not be affected by “incompletes” at the time of the review.

**Transfer Credit:** Students transferring from another institution will be considered making satisfactory progress at the time of enrollment. A student’s maximum timeframe for receiving financial aid will be reduced by the number of transferred credit hours applied towards his/her program of study at Wake Tech.
Audits: An audit (AU) grade is not considered attempted coursework. It is not included in the determination of grade point average or completion rate. A student cannot receive financial aid for an audited course. If all declaration occurs after the census date, financial aid is not adjusted.

Credit by examination: Credit hours earned by examination are considered attempted and completed coursework and therefore will be considered in calculating a student’s completion rate. Financial aid does not pay for credit hours earned by examination.

Repeated course: Students may repeat a previously failed course until it is passed. Students may repeat a previously passed course once. The last grade earned is calculated in the GPA. For financial aid purposes, the previous hours attempted and earned will continue to be counted in the student’s cumulative hours attempted and earned.

Summer terms: Credit hours attempted and earned during summer term will be included in the calculation of satisfactory academic progress, just as those earned during any other enrollment period.

Successful completion: A grade of A, B, C, D, X, or P is considered successful course completion. A grade of F is not considered a successful completion.

**FINANCIAL AID ELIGIBILITY STATUS INFORMATION**

Satisfactory: Students who have met the criteria explained above, cumulative GPA of 2.0 and cumulative completion rate of 67%, have satisfactory status.

Financial Aid Warning: Students who have not earned the required GPA or completion rate will be placed on financial aid warning for the following semester. Satisfactory academic progress will be monitored at the end of each semester to determine if the student meets the standards of progress and is eligible to continue to receive financial aid.

Financial Aid Probation: Students whose appeal has been approved by the Satisfactory Academic Progress Appeal Committee are placed on financial aid probation.

Notification of Financial Aid Termination or Warning: The Financial Aid Office will send an email to any student who is placed on financial aid warning or termination, this information will also be available on Self Service/Financial Aid. Failure to receive correspondence does not negate a termination or warning status.

Regaining Eligibility: Students who continue to attend school without federal financial aid may regain eligibility for financial aid by earning a cumulative GPA of 2.0 and a cumulative completion rate of 67%. A student may request reconsideration of eligibility for
financial aid by submitting a written request to the Financial Aid Office once all requirements are met.

A student who exceeds the maximum allowable time frame for completing a program of study may appeal by using a student petition. The student must provide a graduation plan signed by his/her academic advisor; if the plan is deemed reasonable, the student will receive financial aid on a probationary basis for one or more semesters until the degree is completed.

**Petition of Waiver of Satisfactory Academic Progress Standards:** Students who have been disqualified from receiving financial aid may request a waiver of the satisfactory progress requirements by submitting a Satisfactory Academic Progress Appeal Form (https://www.waketech.edu/financial-aid/applying-financial-aid/keeping-financial-aid/submitting-academic-ap), if extenuating circumstances have affected academic performance. The circumstances must be explained and documented in writing and submitted to the Satisfactory Academic Progress Appeal Committee. Extenuating circumstances may include but are not limited to illness or injury of the student or an immediate family member, death of a family member, and loss of full-time employment. If the student’s financial aid is reinstated, the student is expected to meet the satisfactory academic progress standards by the end of the semester. Appeals are not retroactive; they are approved for the current semester only. All appeals are reviewed by the SAP Appeal Committee, and the decision of the Committee is final.

**Returning students** are evaluated on a continuing basis from the last enrollment, unless an extenuating circumstance is considered. Returning students who enrolled under an earlier academic progress policy will be required to meet the standards of the current policy upon returning.

**Complete academic record:** To measure a student’s satisfactory academic progress toward degree, diploma, or certificate requirements, the student’s complete academic record at Wake Tech must be evaluated, whether or not the student received financial aid for the entire time of enrollment. Any course grades of W or WF that were forgiven by Wake Tech must be included in a student’s cumulative record when determining satisfactory academic progress standards for financial aid. When students complete coursework for more than one major, academic progress standards for each major must be met to receive student financial aid.

Please note that satisfactory academic progress warning status or suspension status can be changed only by successfully completing classes – it is not enough to sit out a semester. The status remains until the student earns both a cumulative GPA of 2.0 and a cumulative completion rate of 67%. Students must meet both criteria to be considered in good standing for financial aid.
The person designated by Wake Technical Community College to provide financial aid information to students is the Financial Aid Director of Appeals or the FAO designee. Office hours: 8 a.m.-6 p.m., Monday-Thursday, and 8 a.m.-5 p.m. on Friday (by appointments on Friday).

Reinstatement of all financial aid is subject to submission of proper documentation of the student’s circumstances and availability of funds. The appeal narrative and the documentation must demonstrate how the special circumstances impacted the student’s academic performance. The student also needs to explain how circumstances have changed in the current term as to allow for a successful attempt. The following special circumstances are examples that would be considered a legitimate basis for an appeal:

1. A significant medical illness or injury that directly affected student’s ability to meet the academic standards.
2. The death of a close relative during the time period that directly affected the student’s ability to meet the academic standards.
3. The student received an incorrectly reported grade that has been changed and is requesting that a Satisfactory Academic Progress be re-evaluated.
4. The student experienced a significant personal tragedy or event that affected the student’s ability to meet the academic standards.
5. Other significant situation that affected the student’s ability to meet academic standards.
6. Military deployment for active duty or required military training.

Developmental Courses
The federal regulations that govern federal financial aid impose a limit to the total number of developmental courses a student can take and receive federal financial aid (34 CFR 668.20). This regulation states a student may receive federal financial aid for up to one academic year’s worth of developmental classes (not to exceed 30 credit hours). All hours exceeding this limit, will not be disbursed/ offered using federal financial aid.

Prerequisite Courses
A prerequisite is a course requirement that a student must complete before taking an advanced course. A student must be a regular student enrolled in an eligible program of study taking a prerequisite course that is required for the student to graduate in that program of study for financial aid to cover the course. Student must not have exceeded the 30 credit hour developmental course limit.

Dropping or Withdrawing from Courses
Reducing your enrollment during any semester can create serious consequences. Before dropping classes, students should discuss their concerns with their academic advisor and the Financial Aid Office.
1. Satisfactory Academic Progress will be affected.
2. In cases of complete withdrawals, students may be required to repay a percentage of financial aid received for that semester based on the Title IV Return of Funds calculation. Students who completely withdraw will be placed on Financial Aid Suspension for future semesters. A Financial Aid Appeal may be submitted requesting reinstatement of financial aid.
3. Students receiving William D. Ford Federal Direct Loans may go into repayment if current enrollment drops below six credit hours for a period of time greater than the six month grace period (or you may lose your grace period).
4. Any scheduled future disbursements of loans will also be cancelled once enrollment drops below 6 credit hours.

Withdrawals or All F Grades/Return of Title IV Funds
Federal law states that if a student receives federal financial aid and withdraws, quits attending or drops out of all of their classes before completing at least 60% of the semester, the student will have to return a portion of the federal aid that was received.

Withdrawal (W Grade) from a class(es) is a non-punitive grade for cumulative and major GPA. Withdrawal grades are counted as an attempt for financial aid. A Withdrawal grade of WF is calculated in the GPA as a zero grade.

The student will be billed for the amount to be repaid according to this policy. A student must be reported to the Department of Education for repayment; and, until the balance is paid, the student’s records will be placed on hold prohibiting a student from receiving any further financial aid funds nationally. If a student has tuition, fees or other outstanding institutional charges; registration, grades and transcripts will be placed on hold at WTCC until the debt is satisfied.

For questions regarding the Financial Aid Satisfactory Academic Progress policy, visit http://financialaid.waketech.edu or stop by the Financial Aid Office.

Federal Return of Title IV Funds for Complete Withdrawals
Students receiving Title IV funding (Federal Pell Grant, Supplemental Educational Opportunity Grant or William D. Ford Federal Direct Loans) who completely withdraw from classes are required to have earned aid evaluated through the federal formula established in the 1999 federal financial aid reauthorization. Unearned aid is returned to the federal financial aid programs. Students not receiving Federal Title IV financial aid, who paid for all expenses out-of-pocket, will receive a refund based on institutional policy. The amount of federal funds returned to the federal programs will be determined based on the date the withdrawal process began or the last date of attendance. If the date the withdrawal process began or last date of attendance is not available or known, the federal refund will
be based on the 50% point of the semester. Return of Title IV funds is not required after the 60% point of the semester. The student may submit a Satisfactory Academic Appeal Request to have their financial aid considered for reinstatement.

**Reporting Additional Financial Aid Resources**

Students are required by federal regulations to report all sources of financial assistance to the Financial Aid Office. Notification of additional financial aid by the student or an outside source after the initial offer notice may result in the adjustment of offers. Adjustments are made to ensure compliance with individual program requirements and to avoid offers in excess of financial aid eligibility. Revised offer notices are emailed as adjustments are made and also available on Self Service/Financial Aid. All resources of aid must be included in the student’s financial aid offer package to ensure an over offers in excess of financial aid eligibility have not occurred. Examples of this type of assistance may include but are not limited to:

**Example 1:** A student receives a scholarship check directly from a donor or organization. The check is made out to the student only. The student is required to notify the Financial Aid Office of the amount and semester covered. The scholarship is included in the total financial aid offer and coordinated with federal, state, institutional, and other private financial aid programs.

**Example 2:** A student’s employer participates in a tuition reimbursement program. This means a student may be responsible to pay for tuition and fees at the time of registration; however, once a final grade is turned into the employer, the student is reimbursed for out-of-pocket costs. This benefit must be reported to the Financial Aid Office and coordinated with federal, state, institutional, and other private financial aid programs.

Failure to report additional sources of financial assistance may result in repayment of part or all aid received for the payment period or the academic year.

**SPECIAL CIRCUMSTANCES**

Financial aid offers are based on you/spouse and/or your parents’ income from the prior/prior year. If the family has an extenuating set of circumstances that warrant special attention, the federal and state governments allow the WTCC FAO to use “professional judgement” in making adjustments that adequately reflect the family’s ability to support the student’s educational expenses. With the proper documentation, students may request that the financial situation of the family be re-evaluated for the following reasons:

1. Drastic changes in income.
a. Loss of employment.
b. A student/spouse or parent/step-parent who reported 2018 work earnings on the Free Application for Federal Student Aid (FAFSA) has remained unemployed for at least 10 weeks during 2018 and 2019.
c. A student/spouse or parent/step-parent had a complete loss of unemployment compensation or a loss of a nontaxable benefit (such as social security benefits, a pension, or child support).
d. A student/spouse or parent/step-parent has become separated, divorced or widowed after submitting the FAFSA.

2. Medical expenses not paid by insurance.

By completing a Request for Adjustment to Family Income/EFC form available in the Financial Aid Office and providing required documentation, a professional judgment may be used to adjust information that may affect the family contribution.

### TITLE IV FEDERAL FINANCIAL AID PROGRAMS

**FEDERAL PELL GRANT**
This grant provides an estimated maximum offer of $6,345 for the 2020-2021 academic year, depending on the computed Expected Family Contribution (EFC) from the Free Application for Federal Student Aid (FAFSA). These offers are prorated, depending on the actual enrollment level of the student per semester. This grant is available to students who have not yet earned a bachelor degree. This is an entitlement program from which all students who meet eligibility requirements will receive an offer. You may visit www.studentaid.ed.gov to learn more.

**FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)**
This program provides offers of $200-$4,000 per academic year. Priority for these offers is given to Federal Pell Grant recipients with the lowest Expected Family Contribution (EFC) determined by the Free Application for Federal Student Aid (FAFSA). The offer amount is dependent on annual availability of funds and other resources that make up an individual offer package. The maximum offer at Wake Tech is $1000 per academic year. Funding is limited.

**FEDERAL WORK STUDY**
This program is a federally funded work program used to promote part-time employment on campus at $9.00 and $11.00 an hour or in community service jobs. Employment opportunities are offered to students enrolled at least half time (minimum of 6 credit hours), maintain a 2.0 GPA and who demonstrate financial need. Positions are limited and the number of hours a week a student can work varies. Students may earn up to their maximum annual offer amount as determined by the Free Application for Federal Student Aid.
(FAFSA). The maximum offer at Wake Tech is contingent on available financial aid funding and student financial aid need. Funding is limited.

WILLIAM D. FORD FEDERAL DIRECT LOAN PROGRAM
The Department of Education makes Federal Direct Subsidized Loans to students enrolled at least halftime (minimum of 6 credit hours) who demonstrate financial need. Students may borrow up to $3,500 per academic year as a first year student (less than 30 credit hours completed) and $4,500 per academic year as a second year student (at least 30 credit hours completed). The federal government pays the interest while the student is in school at least half time, during the six-month grace period, and during all deferment periods for the Federal Direct Subsidized Loan.

The Department of Education makes the Federal Direct Unsubsidized Loans available to students who have enrolled at least half-time (minimum of 6 credit hours) and who have applied using the FAFSA.

WILLIAM D. FORD FEDERAL DIRECT UNSUBSIDIZED LOANS
Low interest loans made by the Department of Education which allow students to borrow who are not eligible or have reduced eligibility for a Federal Direct Subsidized Loan. The maximum amount a student can borrow is the same as the Federal Direct Subsidized Loan. Dependent students may borrow up to an additional $2,000 and independent students may borrow up to an additional $6,000, depending on eligibility. The federal government does not pay the interest for the student receiving a Federal Unsubsidized Loan. Interest accrues on the Federal Direct Unsubsidized Loan while students are in school, during the six-month grace period, and during all periods of deferment.

FEDERAL DIRECT PARENT LOANS FOR UNDERGRADUATE STUDENTS
Government loans made to parents of dependent students who do not have an adverse credit history. Maximum loan amounts cannot exceed the Cost of Attendance (COA) minus other financial aid. Payment begins 60 days after the loan is disbursed. For additional information, visit our website - https://www.waketech.edu/financial-aid/types-financial-aid/loans.

ADDITIONAL STUDENT LOAN REQUIREMENTS:
In order to apply for a Federal Direct Student Loan, students must complete the FAFSA. Students who have completed the FAFSA will be informed of their eligibility and MUST accept or reject their loans. Students must also complete both - the Online Entrance Counseling Session and the Master Promissory Note at: www.studentloans.gov.

- Online Entrance Counseling- www.studentloans.gov
- Master Promissory Note- www.studentloans.gov
**STATE FINANCIAL AID PROGRAMS**

**North Carolina Education Lottery Scholarship.** Student must be a NC resident; have an Expected Family Contribution (EFC) figure that falls within a range determined by the state of North Carolina each academic year and enroll at least half-time (six credit hours or more). Students must complete a FAFSA. Fall/Spring offers only.

**North Carolina Community College Grant.** Student must be a NC resident; enrolled at least half-time (six credit hours or more); have an Expected Family Contribution (EFC) figure that falls within a range determined by the state of North Carolina each academic year. Students must complete a FAFSA. Fall/Spring offers only.

**North Carolina Targeted Assistance Grant.** Student must be a NC resident. A limited amount of funding is available to support students who are enrolled in high-demand/low-enrollment programs. Eligible programs are selected by the Director of Student Enrollment Resources based on job market demands for certain skills and under-enrolled programs that fill those particular needs of local employers.

**North Carolina Community College Grant for Less Than Half-Time Students.** Student must be a NC resident. The North Carolina Community College Grant for Less Than Half-Time Students is available for students enrolled in five or less credit hours. All certificate, diploma and associate degree students must complete the FAFSA to be considered for this need-based financial assistance. Students enrolled in certificate programs that are ineligible for federal student assistance may qualify for these funds. The Student Expected Family Contribution (EFC) must be from 801 - 4000. Qualified students enrolled less than half-time will be eligible for $30.00 per semester hour up to a maximum of $150.00.

**Forgivable Education Loans for Service (FELS)** Students enrolled in North Carolina postsecondary institutions that offer education programs which prepare students who are enrolled in an approved education program and committed to working in critical employment shortage professions in North Carolina may be eligible for these funds. Full-time offer is $3,000.00 a year (12 credits or more). Persons fulfilling employment contracts qualify for loan cancellation. Students who qualify based on need are automatically considered and offered the opportunity to accept an FELS loan.

Information on numerous scholarships sponsored by the state of North Carolina can be found by visiting [www.cfnc.org/els](http://www.cfnc.org/els).
Foundation Scholarships
Foundation scholarships are for students enrolled in Curriculum programs only - https://www.waketech.edu/financial-aid/types-financial-aid/scholarships. (For information about Continuing Education scholarships, contact your area of interest.)

Applications are accepted online March 1st through April 30th for the upcoming academic year. Students are typically notified via email by the end of June once recipients have been selected. Only applicants who have received an acceptance letter from Wake Tech Admissions by the scholarship application deadline will be considered. To be considered for a scholarship on the basis of financial need, you must complete the Free Application for Federal Student Aid (FAFSA) and supply all necessary documentation to the Financial Aid Office prior to the April 30th scholarship deadline. Learn more at Financial Aid. All students are encouraged to complete the FAFSA to make sure they are considered for all eligible scholarships and available public aid.

Application Guidelines
The scholarship application consists of a small number of general information questions and one essay question. (Essay prompt: How will receiving this scholarship help you achieve your educational and career goals and give back to the college or community?)

Applicants submit only ONE application per cycle to be considered for any and all eligible scholarships. All scholarships require a GPA of at least 2.0 and a minimum enrollment of 6 credit hours during the semester(s) in which the scholarship is offered. If offered a scholarship, student must meet GPA and enrollment criteria for each offer semester.

Scholarships offered through the Foundation are only for use at Wake Tech Community College. Scholarships do not require re-payment unless the terms of the scholarship are violated. All scholarships are competitive and are based on criteria established by donors.

Selection Process
The selection committee assigns numerical scores to each essay question based on content, grammar, spelling, and punctuation. Essays are scored by three reviewers and scores are averaged. Scholarship application evaluations are anonymous. Applicant names, ID #s, and demographic information are omitted during review.

Foundation scholarships are offered based on the essay score and the scholarship criteria as set forth by the donor, including but not limited to: demonstrated financial need and
eligibility for assistance (Pell grants, state grants, etc.), academic information (primary major, credits completed, etc.), and academic performance (GPA).

OTHER FINANCIAL AID

Following are other types of financial aid funded by Wake Technical Community College to assist students with educational expenses. Applications for each source are available at posted times during the semester in the Financial Aid Office.

Rally Fund Emergency Grant
The Rally Fund was created to assist students currently enrolled who encounter unforeseen financial emergencies or catastrophic events (i.e. not as a result of their actions), which would prevent them from continuing their education. These funds are not intended to be used for routine expenses, nor as a supplement to a student’s educational funding sources. Applications will only be accepted while college is in session. Each application is reviewed on a case by case basis. Approval is subject to the availability of funds.

Private Scholarships
Private scholarships are available from a variety of sources.

**CONSUMER INFORMATION**

In accordance with federal regulations set forth by The Higher Education Act of 1965 as amended, you may view the consumer information made available to all students and potential students on the Financial Aid website at - [https://www.waketech.edu/financial-aid/consumer-disclosure-information](https://www.waketech.edu/financial-aid/consumer-disclosure-information).

For additional information or a hard copy of any of the Wake Technical Community College’s Consumer Information, contact the Financial Aid Office at (919) 866-5410 or finaid@waketech.edu.

**TIPS TO AVOID DELAYS**

If you would like to make sure to avoid any delays in processing your application for financial aid assistance, pay particular attention to the following points:

- Ensure the Admissions and Registration and Student Records Offices have your current address and contact information.
- Ensure that you have completed all admission requirements at WTCC for a financial aid eligible program of study.
- Submit official high school or equivalency transcript.
• Return all forms immediately, completed and signed.
• Respond to every item on each form. For dollar amounts, provide the amount. If you do not have an amount to report, answer $0. If a non-dollar item is not applicable, answer N/A.
• Be sure ALL signature blocks are completed with the required signatures.
• Read and keep all informational items.
• Several priority dates are listed on the Financial Aid Website that are pertinent to the success of financial aid being available for upcoming semesters.

**FREQUENTLY ASKED QUESTIONS**

1. *What is WTCC’s federal school code?*

   WTCC’s federal school code is 004844. Use this code on the FAFSA form so the results are sent to WTCC’s Financial Aid office.

2. *Do I need to apply for admission to the College before I apply for financial aid?*

   You can apply for financial aid before or at the same time as applying to the College. However, you need to complete the Admissions application and processes before your financial aid application can be finalized and completely processed through the Financial Aid Office.

3. *How do I apply for financial aid?*

   Complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov (preferred method), complete a PDF FAFSA version, or request assistance if you are hearing impaired from (FAFSA)/the Department of Education by calling 1-800-730-8913.

4. *Which FAFSA do I need to fill out?*

   If you will be attending college between July 1, 2020 and June 30, 2021, you should file the 2020-2021 FAFSA.

5. *Do I have to re-apply for financial aid every semester?*

   No, students need to apply for financial aid **every academic year** by completing the FAFSA or Renewal FAFSA application.
6. **What will I need to fill out the FAFSA?**

To complete the FAFSA, you will need:

- Your Social Security number/ Alien Registration Number
- Your prior/prior year federal income tax returns, W-2s and other records of money earned (Note: You may be able to transfer your federal tax return information into your FAFSA using the IRS Data Retrieval Tool.)
- Bank statements and records of investments (if applicable)
- Records of untaxed income (if applicable)
- An FSA ID to sign electronically

If you are a dependent student, you will need the parental information for the above items for your parent(s).

7. **My parents are divorced. Whose income information do I use?**

Use the income of the parent for your current residence or the parent who most recently provided over 50% of your support.

8. **I don’t live with my parents, and my parents don’t claim me on their tax returns. Do I still need to use their information on the FAFSA?**

Yes. It does not matter if you live with them or not. If you do not meet the federal definition of an independent student, you are required to supply parental information on the FAFSA.

9. **My parent is remarried. Do I need to use my step-parent’s income / tax information on the FAFSA?**

Yes, you must include your step-parent’s income on the FAFSA.

10. **I am separated from my spouse now. How do I file for financial aid?**

If you bring in your federal tax return, along with your W-2’s, we can help you fill out your FAFSA form based on your information only. If you become separated after filing the FAFSA, you may want to check with the Financial Aid Office for more detailed information regarding special circumstances.
11. I applied for financial aid at a different school, but now I want to attend WTCC. What do I do?

WTCC’s Financial Aid Office will need the FAFSA information submitted by the student in order to begin the process of financial aid eligibility determination. Students may either:

  i. Go online to the FAFSA web site www.fafsa.ed.gov and update the completed FAFSA with WTCC’s Federal School Code: 004844.
  ii. Call 1-800-433-3243 and request that Wake Tech’s school code be added.

Student must meet all priority deadlines. If not, student will need to be prepared to meet all requirements for tuition, fees, books and supplies until the financial aid is processed and offered at WTCC.

12. I’m attending another school for fall, but I want to transfer to WTCC in the spring. What do I do?

You will need to add WTCC as a school choice on the FAFSA so we receive the information electronically. School Code: 004844. See process outlined in section five on the FAFSA. Refer to our priority deadlines.

13. Is there a deadline for filing for financial aid?

For the 2020-2021 academic year, students can apply on October 1, 2019 and no later than June 30, 2021.

14. Why do I have to answer question 23 about drug convictions?

Some students who have drug-related convictions may be ineligible for federal student aid. If you need additional assistance with this question, you may call 1-800-4-FED-AID (1-800-433-3243), go to www.fafsa.ed.gov, or go to https://studentaid.ed.gov/sa/eligibility/criminal-convictions#drug-convictions for more information.

15. I lost my job, I am cutting my hours at work so I can attend school, or I am working a different job and making less money. How does this affect my aid?

The FAO has a special consideration form for students to fill out when there is a dramatic change in income. It can have a significant affect in the amount of financial aid a student receives. Contact the Financial Aid Office for more information.
16. *If I’m selected for verification, do you need my state and city income tax return?*

We do not need your state and city income tax returns. You will need to provide a federal tax return transcript. You can request a federal tax return transcript at [https://www.irs.gov/individuals/get-transcript](https://www.irs.gov/individuals/get-transcript), it is a free service. The transcript can be requested online.

Additional documents may be requested to complete the verification process.

17. *I have an offer notification, now what?*

Offer notification, now what: Go to the financial aid webpage: [https://www.waketech.edu/financial-aid](https://www.waketech.edu/financial-aid) and look for the “I have an offer letter, what now?” link and read the document.

18. *What is my electronic master promissory note?*

The Electronic Master Promissory Note (EMPN) is the legal document you sign stating you will repay your William D. Ford Federal Direct Loan. You can find the document online at: [https://studentloans.gov/myDirectLoan/launchMpn.action?mpnType=subUnsubMpn](https://studentloans.gov/myDirectLoan/launchMpn.action?mpnType=subUnsubMpn).

19. *How much loan funds can I borrow?*

A dependent student with less than 31 credit hours completed may borrow $5,500, if eligible ($3500 Subsidized, $2000 Unsubsidized). A dependent student with more than 30 credit hours completed may borrow $6,500, if eligible ($4500 Subsidized, $2000 Unsubsidized).

An independent student may borrow up to an additional $4,000, if they have eligibility in unsubsidized loan funds ($3500 Subsidized, $6000 Unsubsidized) and ($4500 Subsidized, $6000 Unsubsidized).
20. **What is the difference between subsidized and unsubsidized loans?**

With a Direct Subsidized Loan, the interest is paid by the federal government while you are attending school at least half-time or during grace or deferment periods. With a Direct Unsubsidized Loan, interest begins to accumulate on the day the loan is disbursed to your account and continues until the loan is paid in full.

21. **How does my loan get credited to my account?**

All loans are disbursed in two payments. For a one-semester loan, one half is disbursed at the beginning of the semester and the second half at mid-semester. A one-year loan (two-semesters) is disbursed half in the first semester and half in the second semester.

22. **What is a disclosure notice?**

A Disclosure Notice is mailed directly from the Loan Servicing Center to notify the student of anticipated disbursement dates and the amounts. Contact the Direct Loan Servicing Center at 1-800-848-0979. Students can access their information at www.nslds.ed.gov.

23. **When can I charge books and supplies in the bookstore against my financial aid?**

Students who have been offered financial aid can charge books and supplies during the posted dates at the beginning of each semester in the bookstore. All funds are to be used responsibly when purchasing books and supplies at the bookstore. Funds are to be used only for the financial aid recipient for classes registered and not used to purchase books and supplies for family and friends.

24. **I'm in default on my student loans. Can I get a Federal Pell Grant?**

Students in default on a federal student loan are not eligible for any federal or state financial aid. Students must make six consecutive payments on a defaulted loan and make satisfactory payment arrangements with the Department of Education to regain eligibility for financial aid. Students must present the Financial Aid Office with up-to-date official notification from the Department of Education that they are no longer in default before they may receive any Title IV financial aid.

25. **What is an FSA ID, who needs one, and where do I get one?**

Students, parents, and borrowers are required to use an FSA ID, made up of a username and password. This allows access to certain U.S. Department of Education websites. The FSA ID is used to confirm your identity when accessing
your financial aid information and electronically signing your federal student aid documents.

You will need an FSA ID to electronically sign your FAFSA. If you are a dependent student, your parents must also apply for an FSA ID so they can electronically sign your FAFSA.

You can create an FSA ID at https://fsaid.ed.gov.

26. Where can I find more information about federal student aid?

You can find more information about federal student aid through the following sources:

- Visit StudentAid.gov
- Get updates and information from the Federal Student Aid Facebook page and @FAFSA Twitter feed
- Visit the Federal Student Aid YouTube page
- Download the free publication, Funding Your Education: The Guide to Federal Student Aid by visiting – http://studentaid.ed.gov/resources
